Tatanka Arts

Our vision is to provide education, entertainment, and platforms for community participation across a wide canvas of art related events.

We exist to promote artists, fill in the gaps in our communities when it comes to arts enrichment and arts education.

Whether as a student, instructor, artist, performer or volunteer, we invite you to become an integral part of this growing family of enriching experiences and fun events.

Tatanka Arts is a new arts organization in the Renville/Redwood counties. Become a Founding member and help us promote the arts in our counties.

Member Benefits

While Tatanka Arts does have a strong and dedicated board of directors, the ultimate effectiveness of our organization can, and will continue to be, found in its membership.

We need people like you, people concerned over the decline of art programs in our schools, people looking for artistic outlets for themselves and their families, people searching for volunteer opportunities that make a difference. We need your voice and experience, your desire, and your financial support.
